

	Red Hall			Orange Hall			Blue Hall			Green Hall			Time	Date
	Registration												8:00-9:00	HOMA 2025 - First Day -19th Azar 1404 (10th Dec. 2025)
									Dr. Farid Zand	CPR registry, an inevitable need		9:00-9:20		
									Dr. Mehrdad Saravi	The science of survival: Integrating CPR into the architecture of modern cardiovascular care		9:20-9:40		
									Dr. Farzad Rashidi	ECMO in resuscitation		9:40-10:00		
	Opening Ceremony (Green Hall)												10-11:30	HOMA 2025 - Second Day - 20th Azar 1404 (11th Dec. 2025)
	Panel 2	Management strategies in CPR		Panel 1	Prehospital Innovations in Resuscitation		Workshop 1	Extracorporeal Life Support in Modern Resuscitation				11:30-13:00		
	Pray/ Lunch Break and Visiting the Exhibition and Networking												13:00-14:00	
	Panel 4	What is New in ILCOR 2025		Panel 3	Unveiling Major Updates in Resuscitation Protocols				Workshop 2	Point-of-Care Ultrasound in Resuscita		14:00-16:00		
	Panel 7	CPR in Special Circumstances Part-1		Panel 6	Artificial Intelligencein in Cardiopulmonary Resuscitation		Panel 5	Resuscitation in High Risk Clinical Scenarios & Oral Poster Presentation		Workshop 3	Vascular Sonography in Resuscitation		8-10	HOMA 2025 - Second Day - 20th Azar 1404 (11th Dec. 2025)
	Refreshment Break and Visiting the Exhibition and Networking												10-10:30	
	Panel 9	Resuscitation in Complex Clinical Scenarios		Panel 8	Post CPR Era & Oral Poster Presentation		Workshop 5	Airway Management & Ventilation Strategies in Resuscitation		Workshop 4	ACLS Refresher Course and Team Dynamics, and AED & D/C Shock		10:30-12:30	
	Pray/ Lunch Break and Visiting the Exhibition and Networking												12:30-13:30	
	Panel 11	The Final Conversation: Ethics at the End of Life		Panel 10	When the Chair Becomes a Crisis Zone:Resuscitation in Dental Office		Workshop 7	Pediatric Advance Life Support (PALS)		Workshop 6	ACLS Refresher Course, Team Dynamics, and Auto Compression		13:30-16:00	HOMA 2025 - Third Day - 21th Azar 1404 (12th Dec. 2025)
	Panel 13	Pediatric & Neonatal Resuscitation		Panel 12	Disaster Management: Resuscitation During Pandemics & Mass Casulty Incident				Workshop 8	Temperature Control in Resuscitation		8-10		
	Refreshment Break and Visiting the Exhibition and Networking												10-10:30	
	Panel 16	Innovation in Resuscitation: From Smart Training to Advanced Technologies		Panel 15	CPR in Special Circumstances Part-2		Panel 14	Cardiogenic Shock Management		Workshop 9	ACLS Refresher Course and Team Dynamics, AED & D/C Shock		10:30-12:30	
	Closing Ceremony												12:30-13:30	HOMA 2025 - Third Day - 21th Azar 1404 (12th Dec. 2025)
	Networking in the Exhibition Area												13:30-14:30
